

# Hall Hill Farm

## Birthday Party Guidelines

- The Picnic Barn will be available for your party for up to 2½ hours between either 11am & 1.30pm or 2pm & 4.30pm. Please ensure that the barn is vacated by the end time of your party. You are more than welcome to stay at the Farm longer.
- The ratio of free adults to each paying child is:- 1 free adult to every 1 Paying child (3 yrs plus)
- Extra adults will be charged at the normal admission price. If you are not paying for the extra adults please inform our staff and ensure that the attending adults are aware that there will be a charge on entry.
- Final numbers must be given for the party by 4pm the previous day. Please note that the final numbers given for children attending the party will be used for final payment. Due to the preparation involved there will be a charge for those children not attending on the day. If we do not hear from you we will prepare the party for the number of children that was originally booked.
- Payment is due on the day of your party, please ensure that all members of your group are accounted for. Payment can be made by cheque, credit/debit card or in cash, please make cheques payable to Hall Hill Farm Enterprises.
- A free Guided Tour is available for groups with 12 or more children, paying the birthday party rate or by paying for 12 children.
- The children will remain the responsibility of the host parents at all times.
- The maximum number of people for any one party, including adults is 36.

### Safety Rules:

1. Wash hands, using soap and running water before eating or smoking and after handling animals.
2. After handling animals please use disinfectant gels in addition to washing your hands.
3. Children should not drink from animal water troughs.
4. Do not allow the children to kiss the animals.
5. Do not allow children under 3 years old to touch the animals.
6. Children should not put fingers in their mouths.
7. Children should be forbidden from eating sweets or other snacks during the farm tour.
8. Eat only in the designated areas.
9. Do not allow children to climb on any walls, fence or gates.
10. Cover all cuts wounds and grazes with a waterproof dressing.
11. Dummies that have fallen to the ground should not be put back into children's mouths.
12. Wear suitable clothing and footwear.
13. Stay with your group.
14. Ensure all responsible adults are aware of the rules.

### Pregnant Women:

Ewes are sometimes infected with an organism called Chlamydia Psittaci, which can cause miscarriage in women. The risk is very small, but it is important to be aware of the potential problem. To avoid this risk, pregnant woman must not have any contact with newly born lambs, kids or the birth products of sheep or goats.
