

Planning a visit to Hall Hill Farm

Hall Hill specialises in arranging school visits which are both fun and educational. In March, April and December the animals are based in the farmyard. We have a wide variety of animals including cows, sheep and pigs as well as, easier to handle, animals such as chicks, rabbits and guinea pigs. Visits last 1½ to 4 hours.

“The whole day was so enjoyable. The children’s excitement lasted for the entire visit. A superb day!”
